made simple

The desktop MFP
that's fast, secure
and feature rich

Océ fx3000

A desktop MFP that's fast, secure and feature rich

Do you run a busy small office or perhaps a workgroup that requires the next step up to a multifunctional environment? The high performance Océ fx3000 can improve your productivity and connect your business workgroups. It's the ideal entry-level MFP that offers print, copy, color scan and cutting edge fax technology to help you keep pace with today's office demands.

Ease-of-use

Océ is known for making our multifunctional devices easy to use and the Océ fx3000 is no exception. Every feature is prominently displayed on the operator panel. Under the cover, a legal-sized platen enables you to copy, scan or fax from books or oversized documents.

This MFP offers auto duplexing capabilities and an auto document feeder to improve workflow. Powered with LDAP support, it allows you to look up addresses that are stored on the network. Additionally, the Océ fx3000 can store up to 300 numbers for easy recall. Now managing your documents can be faster, more efficient and cost effective at the same time.

Connectivity

The Océ fx3000 is network ready with standard Ethernet and a high speed USB 2.0 or Parallel interface. It delivers advanced color scanning and next-generation fax technology for improved document-handling capabilities. The Océ fx3000 ships standard with powerful features such as internet fax, scan-to-email, scan-to-FTP or simply scanning to a network folder. Additionally, the device uses a remote usage counter with automatic email set-up, which allows you to track usage and printing costs with ease.

Productivity

Every office, large or small, wants to keep its productivity levels high. The Océ fx3000 offers a 33.6-kbps fax modem, including Super G3 with JBIG compression for faster fax transmission. At 30 ppm, the Océ fx3000 delivers quality output with 1200 x 600 dpi. Although it has a small footprint, the Océ fx3000 can quickly execute larger jobs and holds up to 550 sheets of paper. Fast and efficient, the Océ fx3000 further increases productivity with fax forwarding, duplex scanning, duplex copying and duplex printing, as well as a 50-sheet ADF. The Océ fx3000 ships standard with PaperPort 9.0® for easy document management and includes OCR capability. It's all built into a compact desktop to create new opportunities for your small office or busy workgroup.

Security

The Océ fx3000 protects your critical data with security solutions that suit your small office needs. Password protection secures your documents and devices and the feature lock grants only designated users the ability to change settings. Other security measures restrict access to FTP folders to individuals with permission. Lastly, the Secure Receive and Secure Print both feature password permission.

General specifications

- Dimensions: 20.9" x 17.7" x 18.7" (standard configuration)
- Weight: 36.9 lb (standard configuration)
- Supplies: toner cartridge and drum unit
- High-speed fax
- Digital copier/printer
- TWAIN scanner with standard network print/scan and network/internet fax interface

Performance

- Copy/print speed: 30 ppm
- Copy/print resolution: 1200 x 600/2400 x 600 dpi
- Main memory min./max.: 32 MB/544 MB
- Memory battery back-up: 4 days
- Toner yield: 7,500 (based on printed pages of 5% coverage)
- Multiple copy up to 99

Document handling

- ADF capacity: 50 sheets (17 lb to 24 lb)
- Original sizes: 8.5" x 11", 8.5" x 14", 5.8" x 5.8"
- Max. paper capacity: 550 sheets
- Platen size: 8.5" x 14"
- Halftone 256 levels for scanning
- Recording paper supply: 250 sheet cassette and 50 sheet bypass tray – standard
- 550 sheets max.
- Recording paper weight: 16 lb to 28 lb max. – cassette / 43 lb max. – bypass
- Output tray capacity: 225 sheets
- Mechanical counter

Operating environment

- Power requirements: 120 V AC +/- 10%, 50-60 Hz
- Energy saver mode
- Temperature: 50-91°F (10-32.5°C)
- Humidity: 20-80%
- Power consumption: sleep mode - 14.0 watts; standby - 85 watts; max. - 1092 watts
- Machine noise (standby/operating): 30 dBA/55 dBA

Copy

- Copy speed: 30 cpm
- Platen glass: 8.5" x 14"
- Standard resolution: 1200 x 600 dpi
- Max. resolution: 1200 x 600 dpi interpolated
- First copy out time: 12 seconds
- Auto document feeder: 50 pages
- Copy-while faxing
- Auto duplex output
- Digital scan-once/print-many
- Poster mode
- Auto, text, photo modes
- Reduction/enlargement 25% to 400% in 1% increments
- Collating (99 pages)
- Combine (2-in-1; 4-in-1)
- Warm-up time: 18 seconds

Scan

- Scanner: 256 level grayscale, color & monochrome
- Scanner optical resolution: 2400 x 600 dpi max.
- Export files: TIFF, FTP, MAX, PDF
- Scanner driver: ScanSoft®, PaperPort® image scan, scan to email, FTP and network folder
- Import files: TIFF, BMP, PCX, DCX, MAX and TWAIN® compliant
- OCR: ScanSoft TextBridge®
- Viewer application: ScanSoft PaperPort 9.0SE with OCR, Presto!® PageManager® with OCR (Mac®), LDAP support

Printer

- Print speed: 30 ppm
- Standard resolution: 1200 x 1200 dpi
- Max. resolution: 2400 x 600 dpi
- Printer memory: standard 32 MB
- 1 DIMM slot for optional memory of 128/256/512 MB
- Auto duplex
- Network printer interface w/NIC STD: Parallel or USB 2.0 PC interface; PCL6®/PostScript®3 emulation; Ethernet 10/100BaseTX
- Print drivers: Windows® GDI, 98SE/98/2000/Me/XP/NT 4.0; Mac OS® 9.1-9.2, OS X 10.2.4 or greater

Fax

- Auto duplex
- Modem speed: 33.6 Kbps
- Auto page retransmit
- One-touch dialing: 40
- Broadcast: 390 locations
- Polling reception compression method: MH, MR, MMR, JBIG remote diagnostics
- Page scan speed: 2 spp
- Page memory: 32 MB - 544 MB
- Memory backup
- Groups: 20
- Delayed send
- Speed dialing
- Internet fax
- Network fax
- PC fax: send/receive (Windows); send (Mac)

Optional accessories

- Memory: 128/256/512 MB
- Fax stand
- Additional 250 cassette tray

Beyond the Ordinary

Printing for Professionals

Océ helps the people who make our world. Companies everywhere use Océ technical documentation systems in manufacturing, architecture, engineering and construction. Each week, high-speed Océ printing systems produce millions of transaction documents such as bank statements and utility bills. And in offices around the world, people use Océ professional document systems to keep the wheels of business and government turning. Océ is also at work in publishing on demand, newspaper production and wide format color for spectacular display graphics. It all helps our professional customers go 'Beyond the Ordinary' in printing and document management.
